ACCESS PERSONALIZED EXPERTISE FROM YOUR LOCATION

Location, travel, and budget are no longer limiting factors when seeking professional advice from an experienced trainer and instructor. Video your session and get access to detailed feedback and advice with a clear, actionable plan to address your specific needs; from the basics to advanced show preparation.

Common Lesson and Evaluation Areas of Focus:

- Ground manners and lunging
- Conditioning evaluation
- Trailer loading
- Halter and Showmanship evaluations
- Equitation (all disciplines)
- Show preparation and show ring navigation
- Patterns and ground poles
- Dressage tests
- Problem solving and behavior troubleshooting
- Course navigation (H/J or show trail)
- Flag and cow work

HOW IT WORKS

You will send us a video of your horse, ride, or other area that you are seeking advice on. We will send a detailed report, feedback, and a plan to address your concern via email or voice recording.

If you prefer to set up a real time session, you may schedule through our Move 'N Coach website profile (details provided upon request). Just email info@clairepelton.com
